## **QUALITY SWITCH, INC. COMPANY POLICY ON “CONFLICT MINERALS”:**

Quality Switch has never knowingly used and never intends to use in their products any “Conflict Minerals” as defined in the Security and Exchange Commission’s (SEC) adopted rule which was mandated by the Dodd-Frank Wall Street Reform and Consumer Protection Act. The Act requires companies to disclose their use of “Conflict Minerals” that originated in the Democratic Republic of the Congo (DRC) or its neighboring countries. “Conflict Minerals” are defined as gold, tantalum, tin or tungsten.

Quality Switch is committed to sourcing responsibly in order to avoid using listed conflict-minerals. We will continue working with our vendors to assure we supply DRC conflict-free products to all of our customers.
